

BUILDER PROFILE

NSW Licensed Builder — Residential Construction Specialist
38/62 Turner Road, Smeaton Grange NSW 2567

COMPANY OVERVIEW

Royal Constructions Pty Ltd is a NSW-licensed residential builder specialising in new home construction across Greater Sydney, with a particular strength in Southwest Sydney growth corridors including Oran Park, Catherine Field, Austral and surrounding areas. Operating since 2020, the company currently manages 15 active construction projects simultaneously across multiple council areas.

Royal Constructions has a proven track record delivering single-dwelling homes, duplexes, dual-occupancy developments, house and studio combinations, and multi-lot residential projects. The company is experienced in managing multiple concurrent sites across different council areas, with strong systems for approvals management, trade coordination and council compliance across all project types.

Every project is delivered to a full turnkey standard — managing the entire process from development approvals and structural engineering through to occupation certificate and handover. Royal Constructions sources premium building materials both domestically and internationally and holds active accreditation with the Master Builders Association of NSW and the Oran Park Developer Panel.

Royal Constructions is a company built on delivery.

Every project we take on is managed from approval through to handover by the same team — no outsourcing of responsibility, no passing the file. Our clients, financiers and development partners deal directly with the principal builder throughout. We hold ourselves to the same standard on every job regardless of size, location or contract value. That consistency is the foundation of our reputation and the reason our business continues to grow through referrals and repeat clients.
